NIL “Name, Image, and Likeness”

Name, Image, and Likeness, an “NIL” refers to the way college athletes can receive compensation. “Using” an athlete's NIL would involve a brand leveraging their name, image, and/or likeness through marketing and/or promotional endeavors.

1 Corinthians 11 :1 NIV

¹ Follow my example, as I follow the example of Christ.

*Follow me
as I follow Christ...*

Ephesians 2: 4-7 NLT

⁴ But God is so rich in mercy, and he loved us so much, ⁵ that even though we were dead because of our sins, he gave us life when he raised Christ from the dead. (It is only by God's grace that you have been saved!) ⁶ For he raised us from the dead along with Christ and seated us with him in the heavenly realms because we are united with Christ Jesus. ⁷ So God can point to us in all future ages as examples of the incredible wealth of his grace and kindness toward us, as shown in all he has done for us who are united with Christ Jesus.

Ephesians 2: 8 NLT

1) By Grace

⁸ God saved you by his grace when you believed.
**And you can't take credit for this; it is a gift from
God.**

Ephesians 2: 8-9 NLT

2) Be Gracious

⁸ God saved you by his grace when you believed. And you can't take credit for this; it is a gift from God. ⁹ Salvation is not a reward for the good things we have done, so none of us can boast about it.

Ephesians 2: 8-10 NLT

3) Begin Giving

⁸ God saved you by his grace when you believed. And you can't take credit for this; it is a gift from God. ⁹ Salvation is not a reward for the good things we have done, so none of us can boast about it. ¹⁰ For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long

Take Away

The value of a masterpiece, is not in its looks or age, but in WHO made it.

Masterpiece

“The first is that the work is so original that it overwhelms us by its power.

The second is that it stands the test of time.

The third is that it changes the way generations of artists or scientists think about their field.

Masterpieces of art and science are like hooks that capture our imagination.”
