Luke 14: 28-30 NLT

1) Balance Budget or Go Bust

²⁸ “But don’t begin until you count the cost. For who would begin construction of a building without first calculating the cost to see if there is enough money to finish it? ²⁹ Otherwise, you might complete only the foundation before running out of money, and then everyone would laugh at you. ³⁰ They would say, ‘There’s the person who started that building and couldn’t afford to finish it!’

2) Balance Now, Don't Forget About Later

¹ Now regarding your question about the money being collected for God's people in Jerusalem. You should follow the same procedure I gave to the churches in Galatia. ² On the first day of each week, you should each put aside a portion of the money you have earned. Don't wait until I get there and then try to collect it all at once.

4) Balance Your Perspective

¹⁹ “Don’t store up treasures here on earth, where moths eat them and rust destroys them, and where thieves break in and steal. ²⁰ Store your treasures in heaven, where moths and rust cannot destroy, and thieves do not break in and steal.

²¹ Wherever your treasure is, there the desires of your heart will also be.
